**INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF
BARAKA POWER LIMITED**

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the financial statements of “**Baraka Power Limited and It's Subsidiary**” (“the Group”), which comprise the statement of financial position as at June 30, 2025 and the statement of profit or loss and other comprehensive income, statement of changes in equity, statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying consolidated and separate financial statements give a true and fair view of the financial position of the Group and separate financial position of the Company as at June 30, 2025 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), the Companies Act, 1994, Securities and Exchange Rules, 2020 and other applicable laws and regulations.

Basis for Qualified Opinion

i) Current Account with Related Parties:

As disclosed in Note 18.00, the Company reported Tk. 1,553,208,997 as current account balances with related parties, representing unsecured advances to sister concerns. Due to lack of documentation and no significant recovery, we could not obtain sufficient audit evidence on their recoverability. This has also impacted the Company's investment capacity.

ii) Impairment Assessment not Performed:

The Company's 51 MW gas-based rental power plant located in Fenchuganj, Sylhet has been non-operational since October 23, 2024, due to the expiry of its rental contract with BPDB. Although the Company has applied for renewal, no approval has been received to date. Given the extended period of inactivity, there is a significant risk that the recoverable amount of the plant and related assets may have declined. However, no impairment assessment was performed as required by IAS 36 by management. We were therefore unable to determine whether any impairment loss should have been recognized.

iii) Going Concern Uncertainty:

As disclosed in Note 58a to the financial statements, the Company's 51 MW power plant has remained shut down since 23 October, 2024, due to the expiry of its contract with BPDB. While management is in discussions to renew the contract for an additional five years, no confirmation has been received to date from BPDB. This uncertainty casts significant doubt on the Company's ability to continue as a going concern on a stand-alone basis. Accordingly, our audit procedure were limited to conclude whether the going concern basis of preparation is appropriate.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with ethical requirement that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

1. Capital Work-in-Progress:

We draw attention to note-7.00 of the financial statements, which describes the Capital Work-in-Progress amounting to Tk. 8,806,777. This balance has been carried forward over several years without capitalization or significant development. Management has stated that the said floor where the Company has invested is not yet ready for use for its own operational purpose or for renting as commercial space. Accordingly, the amount continues to be presented under Capital Work-in-Progress.

2. Inventories:

We draw attention to Note 13 of the financial statements, which reports inventories comprising Spare Parts and Lub Oil & Lubricants totaling Tk. 296,115,678. The Company has remained non-operational since 24 October 2024, yet these inventories are still carried at book value. Due to their extended non-use, there is significant uncertainty regarding their current condition and whether their carrying amount remains fully recoverable.

Emphasis of Matter Exhibits in Baraka Fashions Limited's Independent Auditors' Report

1. Material Uncertainty Related to Going Concern:

The accompanying financial statements have been prepared assuming that the company will continue as going concern. Due to continuous loss, except for the year 2024 and 2023, suffered by the Company and retained loss at the year-end stood of Tk 689,231,375, which is more than 200% of its paid up capital that create significant doubt over its going concern assumption.

Other Matter

1. During our audit, we found that the Company did not arrange any actuarial valuation to quantify actuarial liabilities which is non-compliance of IAS-19.
2. During our audit management of the Company was not able to provide us fixed asset register.
3. The financial statements of the Subsidiary named Baraka Fashions Limited was audited by other auditors named Malek Siddiqui Wali, Chartered Accountants who expressed un-modified opinion on the financial statements on 30 June, 2025.
4. The statutory auditor of the Company for the year ended June 30, 2024 (comparative financial statements of 2025) was Malek Siddiqui Wali, Chartered Accountants who issued a modified audit opinion on the financial statements. As Malek Siddiqui Wali, Chartered Accountants were also the auditors of the preceding financial years, we do not express a separate opinion on their opening balances of the financial statements.

Our opinion is not qualified in respect to these matters.

Key Audit Matters

Key audit matters are those matters that, in the auditors' professional judgement, were most significance in the audit of the financial statements for the year ended June 30, 2025. The matters, and any comments we make on the results of our procedures thereon, were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion in these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters.

Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis of our audit opinion on the accompanying financial statements.

<p>Inventories:</p> <p>Inventories represent about 04.52% of the total assets of the Company; inventories are thus a material item to the financial statements. Please refer to note 11.00 to the financial statements.</p> <p>As described in the accounting policy note 3.10 to the financial statements, inventories are valued at the lower of the cost or net realizable values. As such, management is required to make judgments in determining whether inventories are being appropriately valued and also need to make provision for aged inventories, if required.</p> <p>Due to the value and volume of inventories being held by the Company at the reporting date and presentation thereof, inventories has been considered as a key audit matter.</p>	<p>Our audit procedures to assess the carrying value of inventories included the following:</p> <ul style="list-style-type: none"> • Tested the operating effectiveness of key controls over inventories; including observing the process of management's year-end inventory count. • Verified a sample of inventory items to ensure that costs have been appropriately recorded. • Tested on a sample basis the net realizable value by comparing costs to recent selling prices and assessing the reasonableness of any resulting write down of inventory items. • Assessed whether appropriate provision have been recognized for aged, damaged, slow moving or obsolete inventories by reviewing the age of inventories held and evaluating management's basis for determining the usability of inventories. • Performed cut-off tests to determine that the purchase and sales of the inventories have been considered in the correct accounting period. • Reviewed the historical accuracy of inventory provision and the level of write downs.

Key Audit Matter	How our audit addressed the key audit matter
<p>Accounts Receivable:</p> <p>The total amount of Account Receivable is Tk. 431,971,728 as at June 30, 2025 which is 7.07% of total assets of the Company. There are significant large numbers of individual customers. Customers in different business segments and jurisdictions are subject to their independent business risk.</p> <p>The increasing challenges over the economy and operating environment in developing the software and sale of service during the year have increased the risks of default on receivables from the customers. Particularly, in the event of insolvency of customers, the company is exposed to potential risk of financial loss when the customers fail to meet their contractual obligations in accordance with the requirements of the agreements.</p> <p>Accordingly, we identified the recoverability of receivables as a key audit matter because of the significance of receivables to Company's Financial Position and because of the significant degree of management judgment involved in evaluating the adequacy of the allowance for doubtful debts.</p>	<p>Our audit procedures to assess the recoverability of Accounts Receivable included the following:</p> <ul style="list-style-type: none"> - Tested the accuracy of aging of receivables at year end on a sample basis; - Evaluating the Company's policy for making allowance for doubtful debts with reference to the requirements of the prevailing accounting standards; - Assessing the classification of account receivables in the debtors ageing report by comparison with sales invoice and other underlying documentation on a taste basis; - Assessed the recoverability of the debtors on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers; and - Inspecting subsequent bank receipts from customers and other relevant underlying documentation relating to bills receivable balances at June 30, 2024.

Other Financial Facility: As at June 30, 2025, the reported amount of Short-Term Working Capital Facility is Tk. 266,613,982 which represents 4.36% of total equity & liabilities for the Company. The Company dependent on loan liabilities to operate the business. Therefore, bank and financial institution loan has been considered as key audit area.	We obtained an understanding, evaluated the design and tested the operational effectiveness of the Company's key control over the loans. Our audit procedures included, among others, the followings: <ul style="list-style-type: none"> - Understood and reviewed the nature or types of loans; - Reviewed the board minutes for arrangements of the loans; - Obtained the repayment schedules, loan statements and facility offer letters to review terms, debt covenants, interest rates and other conditions associated with the loans; - Re-calculated the interest related to loans; - Checked the adjustments or repayments of loans through bank/financial institution statements as per repayment schedule; - Observed whether there is any overdue payment relevant to loans; and - Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards. The procedures above did not identify any issues with regard to the loans.

Revenue Recognitions: Revenue of Tk. 399,158,289 is recognized in the Statement of Profit or Loss and Other Comprehensive Income of Baraka Patenga Power Limited for the year ended June 30, 2025. We identified revenue recognition as a key audit matter because revenue is one of the key performance indicators of the Company and therefore there is an inherent risk of manipulation of the timing of recognition of revenue by management to meet specific targets or expectations. As described in the accounting policy note 3.14 to the financial statements, the Company recognizes revenue upon rendering services to the customers/clients as per IFRS-15 Revenue from Contract with Customers.	In case of Revenue, we assessed the Company's processes and controls for recognizing revenue as part of audit. Furthermore, in order to mitigate the inherent risk in this area, our audit approach included testing of the controls and the substantive audit procedure, including: <ul style="list-style-type: none"> - We evaluated the Company's accounting policies pertaining to revenue recognition and assessed compliance with the policies in terms of IFRS-15 Revenue from Contracts with Customers. - We identified and tested controls related to revenue recognition and our audit procedure focused on assessing the invoicing and measurement systems up to entries in the general ledger. Examining customers' invoices and receipts on a sample basis. - We conducted substantive testing of revenue recorded over the year using sampling techniques, by examining the relevant supporting documents including sales invoices. In addition, we confirmed certain customers' receivable balances at the reporting date, selected on a sample basis by considering the amounts outstanding with those customers. - Furthermore, we tested the sales transactions recognized shortly before and after the reporting date, to examine whether sales transactions were recorded in the correct recording periods. - We checked the issuance of VAT challan and monthly VAT return. - We checked related LC documents.

Reporting on Other Information

Management is responsible for the other information. The other information comprises the directors' report, management discussion and analysis, statement of corporate governance, financial highlights, economic value added statement (EVA), value added statement, certification of corporate governance etc. but other than the financial statements and our auditors' report thereon. The directors' report, management discussion and analysis, statement of corporate governance, financial highlights, economic value added statement (EVA), value added statement, certification of corporate governance etc. are expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and, accordingly, we do not express any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if, we conclude that there is a material misstatement therein; we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with IFRSs as explained in note 2.00 and for such internal control as management determines in necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error. The Companies Act, 1994 and the BSEC guidelines require the management to ensure effective internal audit, internal controls and risk management functions of the Company.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Independent Auditors' Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of the control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion, our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosure, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore

the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

3.02 Property, Plant and Equipment:

a. Recognition and Measurement:

In compliance with IAS-16, Property, Plant & Equipment, items of property, plant and equipment (PPE), excluding land, are initially measured at cost and disclosed as cost less accumulated depreciation and accumulated impairment losses, if any. Land is measured at cost. The cost of an item of PPE comprises its purchase price, import duties and non-refundable taxes, after deducting trade discount and rebates and adding any costs directly attributable to bringing the assets to the location and condition necessary for these to be capable of operating in the intended manner.

b. Capitalization of Borrowing Cost:

Finance costs that are directly attributable to the construction of plants are included in the cost of those plants in compliance with IAS-23, Borrowing Cost. Capitalization of borrowing costs cease from the date of the report submitted by commercial test witness committee which, in accordance with Power Purchase Agreement, confirms the availability of plants for use. from then, interest is expensed.

c. Subsequent Costs:

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The cost of the day to day maintaining is recognized in the Statement of Profit or Loss and Other Comprehensive Income as incurred.

d. Depreciation:

No depreciation is charged on land and land development.

Depreciation is recognized in the Statement of Profit or Loss and Other Comprehensive Income on a straight line basis over the estimated useful lives of each item of property, plant & equipment.

Each item of PPE is depreciated when the asset is available for use. In case of disposals, no depreciation is charged in the month of disposal.

Depreciation of Power Plant has been charged considering 30 years of useful life and residual value as 10% of original cost, on straight line basis on the ground that management intends to continue with operation after completion of 15 years as stated in the Power Purchase Agreement (PPA).

The rate of depreciation on PPE of the Company and its subsidiary as on June 30, 2025:

Name of the Assets	Baraka Power Limited	Baraka Fashions Limited (Subsidiary)
Land & Land Development	0.00%	0.00%
Plant & Machineries	3.00%	5.00%
Office & Electrical Equipment	20.00%	20.00%
Furniture & Fixtures	10.00%	10.00%
Office Decoration	20.00%	-
Motor Vehicles	20.00%	-
Maintenance Equipment	20.00%	-
Building & Civil Construction	6.67%	5.00%

e. Retirements and Disposals:

An asset is derecognized on disposal or when no future economic benefits are expected from its use and subsequent disposal. Gains or losses arising from the retirement or disposal of an asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized as gain or loss from disposal of asset under other income in the Statement of Profit or Loss and Other Comprehensive Income.

f. Impairment:

If the recoverable amount of an asset is less than its carrying amount, the carrying amount of the asset should be reduced to its recoverable amount. That reduction is an impairment loss. An impairment loss is recognized as an expense in the Statement of Profit or Loss and Other Comprehensive Income.

In the current period of reporting, the assessment of indicators of impairment reveals that impairment testing is not required for the Company.

Recognition and Measurement:

Finance leases have been recognized as assets and liabilities in the statement of financial position at amounts equal at the inception of lease to the lower of fair value of leased property and present value of minimum lease payments. The interest implicit in the lease has been spread equally over the lease term.

Depreciation:

Finance leases give rise to depreciation expense for a depreciable asset as well as a finance expense for each accounting year. The depreciation policy for depreciable assets is consistent with that for depreciable assets which are owned.

3.03 Intangible Assets:

Intangible assets includes IT software which is used to maintain Company's accounts. It also includes Share Management Software and Website.

a. Recognition and Measurement:

Intangible assets are measured at cost less accumulated amortization and accumulated impairment loss, if any. It is recognized if it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and cost of the assets can be measured reliably as required by IAS-38, Intangible assets. The cost of the Intangible assets comprises its purchase price and any costs directly attributable to the assets.

b. Subsequent Costs:

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognized in the Statement of Profit or Loss and Other Comprehensive Income when incurred.

c. Amortization:

Amortization is recognized in the Statement of Profit or Loss and Other Comprehensive Income on a straight line basis over the estimated useful lives of the assets, from the month that they are available for use.

The estimated lives of the IT software (Tally, ERP 9), Share Management Software & Website Development are recognized 5 (five) years from the month of its recognition as per management decision.

3.04 Leases:

The company has adopted IFRS 16, from January 01, 2019. The standard replaces IAS 17, 'Leases' and for lessees eliminates the classifications of operating leases and finance leases. Except for short-term leases and leases of low-value assets, right-of-use assets and corresponding lease liabilities are recognized in the statement of financial position. Straight-line operating lease expense recognition is replaced with a depreciation charge for the right-of-use assets (included in operating costs) and an interest expense on the recognized lease liabilities (included in finance costs). In the earlier periods of the lease, the expenses associated with the lease under IFRS 16 will be higher when compared to lease expenses under IAS 17. However, EBITDA (Earnings Before Interest, Tax, Depreciation and Amortization) results improve as the operating expense is now replaced by interest expense and depreciation in profit or loss. For classification within the statement of cash flows, the interest portion is disclosed in operating activities and the principal portion of the lease payments are separately disclosed in financing activities. For lessor accounting, the standard does not substantially change how a lessor accounts for leases.

Leases Previously Classified as Finance Lease:

For leases that were classified as finance lease under IAS 17, the carrying amount of the right of use asset and the lease liability at January 01, 2019 are determined at the carrying amount of the lease asset and lease liability under IAS 17, immediately before the date.

3.05 Financial Instruments:

A financial instrument is a contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Statement of Profit or Loss and Other Comprehensive Income.

3.06 Advances, Deposits & Pre-payments:

Advances are initially measured at cost. After initial recognition advances are carried at cost less deductions, adjustments or charges to other account heads such as PPE or inventory etc.

3.07 Cash and Cash Equivalents:

For the purpose of Statement of Financial Position and Statement of Cash Flows, Cash in hand and Bank balances represent cash and cash equivalents considering the IAS-1, "Presentation of Financial Statements" and IAS-7 "Statement of Cash Flows", which provide that Cash and Cash Equivalents are readily convertible to known amounts of Cash and are subject to an insignificant risk of changes in value and are not restricted as to use.

3.08 Statement of Cash Flows:

		June 30, 2025	June 30, 2024

Reason for Changes: The decrease in consolidated EPS is mainly attributable to substantial losses recorded by the subsidiary as a consequence of increased bank loan interest and related financial expenses.

43.01 Weighted Average Number of Ordinary Shares Outstanding:

The weighted average number of ordinary shares outstanding during the year is the number of ordinary shares outstanding at the beginning of the year, adjusted by the number of ordinary shares issued during the year multiplied by a time-weighted factor. The time-weighted factor is the number of days that the shares are outstanding as a proportion of the total number of days in the year (considering 360 days in a year).

Date of Allotment	Ordinary Share	Weighted No. of days	Calculation	Weighted No. of Share
as on July 01, 2024	235,465,661			235,465,661
Addition during the year	-			-
as at June 30, 2025	<u>235,465,661</u>			<u>235,465,661</u>

43.02 Dilution of Earnings Per Share:

No diluted earnings per share is required to be calculated for the period presented as there was no potential ordinary shares has been issued by the company, as such no scope for dilution during the period.

44.00 Net Assets Value (NAV) Per Share:

		As on June 30, 2025	As on June 30, 2024

54.00 Internal Control:

The following steps have been taken for implementation of an effective internal control procedure of the Company:

- A strong internal control and compliance division has been formed with a view to establish a well designated system of internal control;
- Regular review of internal audit reports with a view to implement the suggestion of internal auditors in respect of internal control technique;
- To establish an effective management system that includes planning, organizing and supervising culture in the factory as well as at head office.

55.00 Risk Management:

The company continuously evaluates all risk that affect the company affairs including following Financial Risk.

- Credit Risk;
- Liquidity Risk;
- Market Risk

In this respect, both Audit Committee and Internal Audit Department assist the Board by submitting periodic report.

Credit Risk:

Credit Risk is the risk of financial loss of the company if a client fails to meet its contractual obligation to the company. The sole client of the company is Bangladesh Power Development Board. All claims of the company are settled on regular basis as per terms of Agreement. We consider that receivable of the company is good and the risk of bad debts is minimum.

Liquidity Risk:

Liquidity Risk is the risk that the company will not be able to meet its financial obligations as they fall due. In meeting liquidity requirements, the company adopts a strict policy of managing its assets keeping liquidity as a vital focus and therefore monitors liquidity on a daily basis.

Market Risk:

Market Risk is the risk that changes in market prices which will affect the company's income or the value of its holding of financial instruments. The Company considers two types of risk when evaluating market risk ; Interest Rate Risk and Exchange Rate Risk. These two market risks are discussed separately below :

Interest Rate Risk:

Interest rate risk arises when changes in interest rates have an impact to the future cash flows of financial instrument's fair values. To mitigate the interest rate risk Finance department always monitor the Bank Interest Rate and choose/shift best alternative rate for borrowings and lending.

Exchange Rate Risk:

The Company is exposed to currency risk as it imports machinery and equipment against payment of international currencies (USD and EURO). Unfavorable volatility or currency fluctuations may increase import cost and thus affect profitability of the company. However, the management of the company is fully aware of the risks associated with currency fluctuations. Major imported machinery and equipment purchases from abroad has been settled. Currently spare parts are being procured from suppliers from various countries. At the time of price negotiation with suppliers exchange rate is considered sharply. Therefore, management believes that currency risk is not going to hamper business of the Company.
